Attention: Richard Lee, Examiner, Group Art Unit 2613

Dear Sirs:

Re: patent application 09/987,498 DUAL CAMERA SURVEILLANCE AND CONTROL SYSTEM

I enclose for your convenience of reference the Reply to (OA #1 of 08/12/2004) transmitted by FAX to you January 11, 2004, in which:

a) several typos have been corrected ("lighting" to "lightning" re Barker, "Shofield" to "Schofield", paragraph numbering "5" (repeated) through "14" to "6" through "15", and "or" repositioned in third last line of paragraph 11;

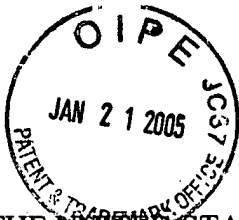

b) there is red-lining for the marked-up attachments.

Thank-you for your attention to this application.

Yours very truly,

A handwritten signature in black ink, appearing to read "Paul D. Gornall".

REPLY

Further to your Office Action of mailing date 08/12/2004:

1. Enclosed is a revised Abstract (with marked-up copy) of less than 150 words, omitting "the present invention".

2. Enclosed are proposed, revised Drawings with

a) diagrammatic blocks 100, 106 – 107, 650, 707, 708, 712, 713, 990 and 995 labelled  
(the applicant presumes that the block 100 rather than lens 105 is the block intended to be  
required to be labelled) on Figure 2;

b) elements "930" and "931" are deleted as set out in the revised second sentence of  
page 11 of the Specification enclosed (along with a marked-up copy of the former p. 11), as the
